CheckPoint

360° Competency Feedback System™

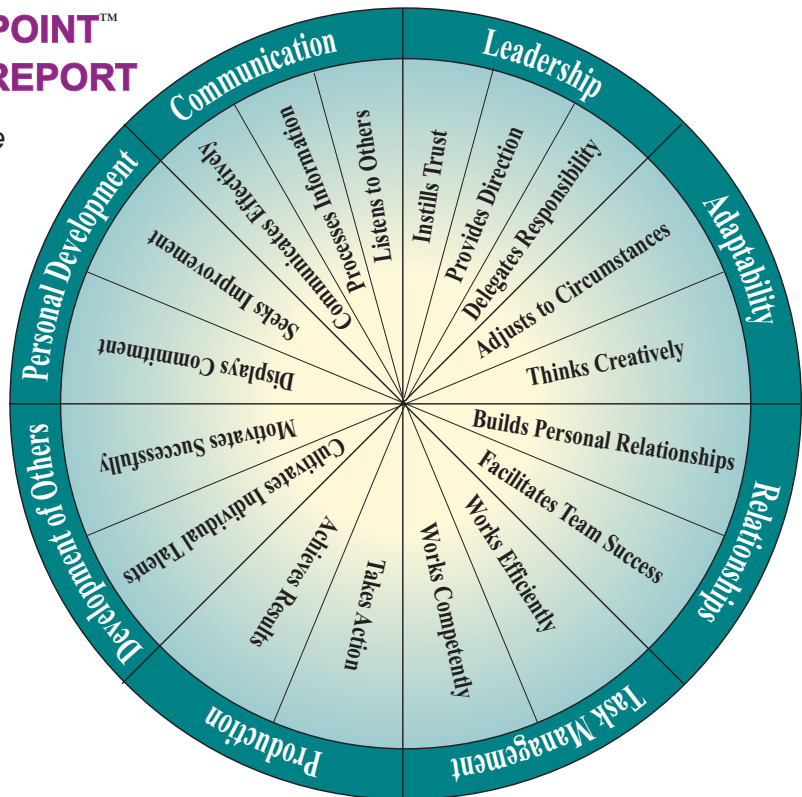

CheckPoint™ is a powerful professional development tool, designed to positively impact a manager's growth and career, and an organization's success. For managers, supervisors and others in leadership positions, it can facilitate peak performance that generates improved productivity in the workplace. Best of all, you use it on the Internet.

CheckPoint™ quantifies a manager's competencies, verifies the results from a variety of perspectives, and identifies ways to enhance skills. For one individual or for every leader in the organization, *CheckPoint*™ is an ongoing process that can be used at key intervals to monitor the progress of professional growth.

THE CHECKPOINT™ FEEDBACK REPORT

Chart the course
of professional
development

The comprehensive, 4-color *CheckPoint*™ *Report* gives you results that are easy to read and understood. Managers can increase self-awareness, compare perceptions from different work-place sources, measure performance in relation to goals, clarify the expectations of others, and prioritize development needs. An excellent coaching tool, the *CheckPoint*™ *Report* provides a balanced picture with valuable insights. Since all reports are processed at the Profiles International Service Center, confidentiality is assured.
